

Creekside Disc Golf Club presents

The Race Is On! Each Autumn, disc golfers from around the world gather at their local courses for one purpose: to throw aces! No putting, no approaching... just runnin' at the chains.

To add to the challenge and excitement, players all throw the same model disc: a brand new, never-seen-before prototype disc that is introduced each year especially for the one disc ace race. All players get one of these discs to throw, and one to collect. You'll be among the first players to ever throw this new design. Also included in the player package is a baseball hat and a full color mini.
